

### REMARKS

The Office Action mailed July 15, 2004, contained a restriction requirement that alleged claims 1-37 were drawn to a method for making a ball grid array package and that claims 38-56 were drawn to a semiconductor device. Applicants have elected to pursue prosecution of claims 38-56, and have canceled claims 1-37.

Applicant reserves the right, however, to pursue the embodiments of claims 1-37 in a divisional application.

No fee is believed to be due in connection with this amendment and response. If, however, any fee is deemed to be payable, you are hereby authorized to charge any such fee to Deposit Account No. 20-0778.

Respectfully submitted,

Daniel R. McClure
